## 2023 Service Information

### Why Active OOSH?

Active OOSH has been providing exceptional care for children in the Newcastle region for the last 11 years. We pride ourselves on building strong, genuine connections with our community by supporting local initiatives, partnering with local businesses and providing opportunities for families to be actively involved in our service.

Active OOSH excel in providing an extensive array of engaging experiences for children of all ages and abilities to enjoy on a daily basis. Our experienced and passionate team develop programs based on the interests and needs of the children and their families while creating a space in which all children feel welcome, safe, valued and cared for.

For our littlest OOSHies, we incorporate an optional K-2 Zone in our daily programming which provides further opportunities for children to participate in age appropriate activities surrounded by peers of similar age and abilities.
